Hindelinis Mission Statement

Welcome to Hindelinis, a gourmet café situated within the 1000 acre, historic Gisburne Park Estate.

Together, the head chef Shane and the owner Guy, have created a jolly, informal environment where you can enjoy great value, locally sourced, homemade food.

We are passionate about providing our customers with a great experience and a happy memory...

if anything isn't 100% please don't be afraid to say!

Ribblesdale Park...

Hidden away in the heart of the historic 1000 acre Gisburne Park Estate is Ribblesdale Park. We sell state of the art lodges with prices starting at £98,500. The park is open all year round. My aim over the next few years is to create one of the most outstanding holiday destinations in the North West.

If you would like to own a lodge here ask at reception and one of the sales persons will give you a private tour.

My family and I look forward to seeing you about
Guy Hindley
